## KUFUZU School of Accounting

**11 June 2021**

### **Newsletter**

It is our pleasure to announce that **KUFUZU** School of Accounting is accredited by South African Institute of Chartered Accountant to offer accounting technician courses. This means, we will no longer focus only on supplemental school, but will also offer accredited qualifications that will open doors for our prospective students.

Students who do not have matric can now enrol and get accredited qualifications at reasonable prices. Refer to our accreditation confirmation on our news portal.

From July 2021 we will be offering the following courses:

We pride ourselves about quality, when it comes to quality we do not compromise. Majority of our lecturers are qualified chartered accountants and have significant experience.

## KUFUZU IN AFRICA

**KUFUZU** School of accounting is a company that was started in South Africa; however its objectives go beyond addressing South African needs. Our goal is to service AFRICA as the whole. Our name is based in one of the most spoken languages in Africa. **KUFUZU** is a Swahili word meaning **Q-U-A-L-I-F-I-C-A-T-I-O-N** (a pass of an examination or an official completion of a course, especially one conferring status as a recognized practitioner of a profession or activity).

According to Pangea. Global Swahili is ranked number 1 spoken language in Africa, with 100 to 150 million speakers, known as “Bantu Language”. The language is spoken in 16 African countries. Our name is carefully selected to resonate well with our origin and those of our protective students all over Africa. We are proudly Africans; we provide tuition the African way.
